

PRAYER FOR WALK FOR THE PLANET

God of earth and sea and sky,

We praise you for the awesome beauty and diversity of your creation.

We thank you for the goodness of all that you have made.

As we journey through this Lenten season

open our eyes and ears to the ways

that humanity is harming and destroying

this planet on which we live.

Help us to change the way we live,

to challenge those in positions of leadership

and celebrate the actions of those who are already

living in right relationship with the earth.

Let us humbly walk together for a more hopeful future

and sow seeds that create justice and healing.

AMEN
